Education

B.Tech in Information Technology (AKTU) ABES Engineering College, Ghaziabad CGPA: 8.28	2023–2027
Class 12th (CBSE) Dayawati Modi Academy, Modipur Rampur 84.8%	2023
Class 10th (CBSE) Dayawati Modi Academy, Modipur Rampur 94.6%	2021

Technical Skills

Frontend: Next.js, React.js, Tailwind CSS, Shadcn UI, HTML5, CSS3, JavaScript (ES6+)
Backend: Node.js, Express.js, REST APIs, Next.js API Routes, Middleware, JWT Authentication, Supabase Auth
Database & ORM: PostgreSQL, Drizzle ORM, Supabase, MongoDB, SQL, MySQL, Gemini API
DevOps & Tools: Git, GitHub, Postman, npm, VS Code, Vercel, Responsive Design, Data Visualisation
Methodologies: RESTful Architecture, CORS Handling, Error Handling & Logging, Env Management (dotenv)

Projects

ResumeCraft – ATS Resume Builder Web App	2025
- Engineered a dynamic, ATS-compatible resume builder with templates, real-time preview, and intelligent auto-formatting, enabling 200+ users to generate machine-readable resumes and cutting creation time by 40%. - Architected secure JWT-based authentication with personalized dashboard management, resume versioning, and account persistence using RESTful API routes and Supabase Auth. - Delivered fully customizable resume sections (experience, skills, education, projects) with one-click PDF export, deployed on Vercel with automated CI/CD pipelines ensuring zero-downtime releases.	
Faculty Feedback Automation – Web-Based Evaluation System	2025
- Designed and launched a secure feedback management platform used by 300+ students to submit confidential faculty evaluations, with role-based access control enforcing strict data privacy. - Built responsive, accessible frontend interfaces using HTML5, CSS3, and JavaScript, incorporating dynamic form validation and streamlined submission workflows that reduced form errors by 35%. - Developed analytics dashboards that automated performance reporting for 10+ faculty members, eliminating manual calculation and reducing administrative effort by 60%.	
ClubVerse – College Club Management Platform	2026
- Architected a centralized club management platform serving 500+ students, providing real-time announcements, searchable club profiles, and structured organization discovery across campus. - Engineered role-based admin dashboards enabling club leaders to manage membership, publish updates, and coordinate activities – reducing inter-club communication overhead significantly. - Implemented a full event lifecycle system covering discovery, registration, capacity enforcement, and deadline validation, processing 100+ event registrations with zero data integrity issues.	

Certifications

Web Development for Beginners – Simplilearn SkillUp	Jan 2025
Problem Solving (Intermediate) – HackerRank	Jun 2025
Python (Basic) – HackerRank	Jun 2025

Achievements

Smart India Hackathon (SIH) 2024 – Participant Collaborated on rapid prototyping and full stack solution development under time constraints in SIH at college level.
Kalakrit Music Club – Core Team Member Led stage and performance management for college cultural fests, scheduling and event execution for audiences of 500+.
Enigma Programming Club – Technical Member Organized coding contests, hackathons, and technical workshops; managed participant coordination and event logistics.
Samvaad Theatre Society – Active Member Secured top positions in multiple inter-college theatre competitions; directed stage production and casting coordination.
